# REFLECTIONS

## IDEAS FOR NEXT YEAR

A series of horizontal lines for writing, consisting of 20 lines in total, providing space for reflections and ideas for the next year.

Since 2009, we have engaged a global community of diverse learners and educators, fostering global competency and 21st century skills through the exploration of the Arabic language and the Arab world. Our vision is one that embraces and respects diversity, values lifelong learning and empowers individuals to take action to shape their futures.

✿  
✿ **QFI works in three main program areas:**  
✿  
✿ **Connected Communities; Arab Societies &**  
✿ **Cultures; and Arabic Language**

We focus on student-centered learning environments and partner with primary and secondary schools, universities, multilateral entities, and other philanthropic organizations to ensure that our programs advance critical thinking, collaboration, creativity and cross-cultural communication.

Now that the COVID-19 pandemic has seen an increase in online learning, [QFI's digital resources](#) are more relevant than ever. We have always been committed to learning and connecting virtually. QFI is here to help you navigate the challenges of the current educational climate. To get in touch with us, please email us at: [info@qfi.org](mailto:info@qfi.org)
